Mission

To promote and facilitate engineering support for national security by developing and enhancing relationships and competencies among uniformed services, public and private sector engineers, and related professionals and developing future engineers through outreach and mentoring.

SAME Challenges

- DOD sequestration and budget cut to continue through FY14
- DOD travel restrictions
- DOD participation restriction in non-DOD conferences
- Sustaining members affected by DOD budget cut

Response to Our Challenges

2013 Small Business Conference

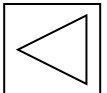

- SAME has eliminated government registration fees for DOD members
- \$100 discount for all SAME member registrations
- Hotel room block at government rate for all conference attendees

2014 Executive Forum

- The event to be held in D.C. to alleviate travel concerns for DOD

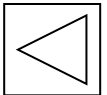

2014 JETC in Orlando

- SAME has eliminated government registration fees for DOD members

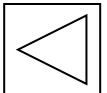

Response to Our Challenges

- Emphasis on educational webinars to eliminate travel cost
- \$500 incentive for Posts to host education webinars to facilitate delivering educational opportunities to our members without the need to travel
- Encouraging Committees and Councils to increase the frequency of their teleconferences and webinars

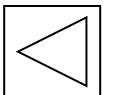

Response to Our Challenges

- Proposal to offer complimentary membership in military schools
- Proposal to provide 18 months of complimentary membership to graduating SAME student members

Southwest Region Update

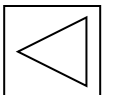

- Eight Posts, one Field Chapter and four Student Chapters
- More than 3,241 members as of June 30, 2013 with 657 public sector members
- More than \$150,000 in scholarship awards in 2012
- More than \$74,000 donated to support our Wounded Warriors in 2012
