New Procurement System

The Port of Long Beach has transitioned to a new web-based procurement solution called "PB System," provided by PlanetBids, Inc. The system is now live; use the link at right to log in or to register for an account.

Both formal and informal solicitations may be processed through our online system. It is the bidder's/proposer's responsibility to ensure that the most complete and current version of the solicitation, including addenda, has been obtained.

Please note: Contractors/Vendors are responsible for maintaining up to date and accurate information and may edit their profile at any time.

Important Notice for Construction Opportunities

- **New construction project opportunities advertised after November 4, 2013** will only be posted in PB System, which may be accessed by clicking the link in the box above.
- **Construction project opportunities advertised for bid before November 4, 2013** will continue to be posted to our [Out for Bid page](#) until the bid period is closed. This includes any documents associated with these projects, such as Notice Inviting Bids, addenda cover letters, sign-in sheets, etc.
- Our [Future Work page](#) will continue to be updated as well until further notice.
