

FY09 Execution Plan for NFESC

SCAN POC (Janet Harouch 805-982-5079)

Code 20:

- Special compartment information facilities (SCIF) construction and engineering services (TS SCI clearance required)
- Information technology and program management services to support CIRCUITS program and energy data management
- Energy awareness public relations to build awareness of the Navy's energy program/generate savings
- Assess and repair petroleum, oils, and lubricants (POL) fuel systems worldwide IDIQ MAC (\$350M)
- Regional efficiency management services to evaluate and enable site-specific solutions that will improve energy efficiency and savings.
- Metering program management for design & installation support
- Boiler and elevator inspection worldwide (inspections require nationally recognized certifications with specific Navy requirements)
- POL A & E - expert POL knowledge for design, analysis, definitive drawings, specifications, inspection, and Title II services in support of POL fuels facilities construction and maintenance
- Critical power A & E expert critical power knowledge for design, analysis, definitive drawings, specifications, inspection, and Title II services in support of critical power infrastructure construction and maintenance
- Critical power systems IDIQ (UPS, switch gear, etc.) and incidental installation
- Energy Savings Performance Contracts (various – Sean Foley)

Recent awards: Advanced Metering Infrastructure IDIQ MAC \$250M - Square D, American Systems, Weston Solutions

Code 50:

- Ocean engineering IDIQ MAC (\$250M)
- MV Independence (INDY) IDIQ (TS SCI facility clearance required)
- Hyperbaric facilities - SeaportE (<http://www.seaport.navy>)
- Magnetic Silencing Facilities – SeaportE (<http://www.seaport.navy>)
- Mooring and barrier IDIQ MAC (\$100M)

SCAN POC Sean Foley 805-982-3872

Code 40:

- Environmental Technical Services (PBEST Follow-on) IDIQ
- Multiple BAAs for R&DTE
- Pollution Prevention Technology Development IDIQ
- Small Business Environmental MAC IDIQ
- Welding Environmental Control Testing MAC IDIQ
- Welding Rod MAC IDIQ
- Multiple SBIRs

Code 30:

- Department-wide MAC IDIQ for Amphibious Expeditionary Services
- Individual Water Purifier SBIR
- Water Desalination & Purification Research IDIQ
- Ballistic Protection MAC IDIQ
- Airfield Damage Repair BAA
- Composite bridging
- Hydrodynamic Analysis MAC
- Individual Water Purification

Code 60:

- ATRF Support IDIQ (DoD lock program, surveys)
- Cathodic Protection A-E Services IDIQ
- Pavement Assessment MAC IDIQ
- Roofing Support MAC IDIQ
- High Performance Pavement
