

**THE SOCIETY OF  
AMERICAN MILITARY ENGINEERS  
LOS ANGELES POST  
PO BOX 532711  
LOS ANGELES, CA 90053-2325**

November 2, 2011

Dear S.A.M.E Sustaining Member:

On behalf of the Los Angeles Post, Society of American Military Engineers, we would like to invite you to participate in our annual Holiday Party Scholarship Fund Drive.

Each year we ask our sustaining member firms and individual members to contribute to sponsorship of our Holiday Party. All money raised above expenses goes to support the Los Angeles Post's scholarship and special programs funding. This last year the Post awarded a total of \$12,000 in scholarships to six outstanding Los Angeles area high school seniors who are now college engineering or science majors. The Post also awarded an additional \$8,000 to continuing scholarship recipients for a grand total of \$20,000 in scholarships. With your help we hope to meet or exceed this past year's scholarship fund.

Please take this opportunity to support our annual scholarship fund drive. We have enclosed a form for your use. All sponsors will be recognized at the Holiday Ball event and listed in the event program.

This year's party is set for Saturday, December 3, 2011 at the Fort MacArthur Community Center at 6:00 p.m. Formal invitations will be sent shortly. Thank you for your continued support, and we look forward to seeing you at the Holiday Party.

Sincerely,

A handwritten signature in black ink, appearing to read "R. Mark Toy".

R. Mark Toy, R.E.  
Colonel, US Army  
Post President
